

DESCRIPTION

Aesthetically crafted with a touch of both modernity and elegance, Mesk Residences is an exquisite G+5 storey residential building, that offers its residents over 203 elegant choices of studios, one-bedroom and two-bedroom apartments with ample living spaces.

The Mesk Residences, which is part of Maryam Island's luxurious masterplan, provide residents with a range of exclusive amenities, including a private swimming pool, a fully equipped gym, as well as a podium landscape that embraces green spaces.

ARCHITECTURAL HIGHLIGHTS

The Mesk Residences flaunts a novel, distinctive design that has been curated with precision, in an effort to preserve the harmony between form and elegance. The contemporary layout of the residence, combined with a hint of traditionalism, adds to the existing aesthetics of the Maryam Gate Residences and Maryam Beach Residences. The low-rise structure adopts a modern style, contrasting the white tone hues of the façade, accentuated by an elegant combination of wood and white tiles. Moreover, all apartment interiors are decorated in a light colour scheme to give residents a more open atmosphere, as well as a sense of spaciousness. The services provided, along with the serene environment that extends a feeling of warmth and comfort to its residents, make Mesk Residences, an ideal pick for a unique living experience.
