SOUK AL JUBAIL 

A Thriving City

Abu Dhabi is a meeting place for cultures, tastes, and experiences alike. It's where East meets West, tradition meets trend, and yesterday meets tomorrow.

It is our home and pride that flourishes within a vibrant community, world-class leisure and entertainment, and natural sceneries. Its culture is ingrained within us through the people we meet, the places we go, and the stories we tell. This is what defines us, this is Abu Dhabi.

مدينة تنبع منها الحياة

أبو ظبي هي مكان التقاء الثقافات والأذواق والتجارب معًا. هنا يلتقي الشرق بالغرب، والأمس بالغد، وتزامن التقاليد حاضرتنا.

إنها موطننا الذي يزدهر بمجتمع نابض بالحياة، محاط بوسائل الترفيه العالمية، والبيئة الطبيعية الخلابة. ثقافتها متأصلة فينا مع الذين نلتقي بهم كل يوم، والأماكن التي نذهب إليها، والقصص التي نرويها. فإن روح أبو ظبي هي روحنا.

Jubail Island

Where Dreams Meet Reality

Jubail island perfectly brings together the serenity and tranquility of a rich, natural setting with the excitement and fun of a modern city. The placement of low rise and low impact village type development within a unique location keeps the harmony with nature, and modern architecture built around it.

The diverse and meticulously planned low density community will comprise a mix of serviced plots, villas, townhouses apartments, schools, offices, retail, hospitality, and community amenities, where the infrastructure is built to preserve the ground for invasive greenery - setting the stage for nature to take over.
